Thanks, I can join a call this afternoon, as long as you're ok taking the lead. I'll be continuing to review images at a snail's pace during all of my calls today.

Given that today is the deadline, I would be fine pushing this call to tomorrow to make more time today. Or if you'd prefer I can just deal with this call alone this afternoon.

[REDACTED] and [REDACTED]:

Would you have time for a call this afternoon to give you an update on a new development?

Thanks,
Marc
