Hi [REDACTED],

Hope you're both well!

I'm working with colleagues in London about a story that DOJ had passed information to the UK FCA about Jes Staley's relationship with Epstein.

You might have seen this morning that Barclays disclosed the UK's FCA and PRA are investigating Staley's statements about his links to Epstein.

I wanted to check if there was any steer or background you could give me on the information DOJ passed to the UK authorities? And also if you had any comment?

Kadhim
