Thanks very much for being in touch. We had actually planned to be in touch today—we expect that next week we'll be having meaningful conversations internally with supervisors about the possible / likely paths forward for aspects of the case including Ms. [REDACTED]. In connection with that expectation, we wanted to ask if you were prepared (and willing) to convey to convey your client's recollection regarding the incident described in the complaint [REDACTED] sent on December 4 (re-attaching here, specifically at page seven). To the extent you have additional information that would be helpful to convey, even minor, we would be available anytime in the coming days to do a call. If that isn't possible until you come back, obviously we understand the challenges of scheduling, but we had anticipated trying to see if we could schedule a call in the coming days. Please let us know?

thanks,

All – Happy new year. Wishing you and your families a happy, healthy, and peaceful 2020. We wanted to let you know that there are a few minor clarifications/corrections we want to share with respect to [REDACTED] proffers. I will be out of the country and not returning to the office until January 10<x-apple-data-detectors://0> (or possibly January 13<x-apple-data-detectors://1>). We will contact you then about scheduling a call to discuss. Many thanks.

Best,
