Subject: RE: FIT website

Hi

Sorry for the delay. Here is my essay and thank you for letting me know that you received my application otherwise I would start to worry. Also I really do need a flight booked back to New York preferably the 27th as it is high season here and there might not be any available flights at the end of the month. Can you please check with Jeffery and let me know.

Thanks ever so much

P.S Could you also let him know that I am going to three different modelling agencies on Monday in search of a PA.

The fish are biting.

H

I will be flying from Cape Town International to New York hopefully on the 27th of Feb. As I do not have a visa yet I will need a return ticket but a return to the UK (London). As I am on the visa waver I am only allowed to spend a maximum of 90 days in the US, so with the return ticket if you could possibly book the return for +\~87 days after my arrival into the US. Sorry for being so complicated and I really do appreciate your help.

Thanks
