Hey [REDACTED]

See emails below. The travel request needs to go through you ADIC to the AD of IOD for permission to travel. CACHTU will support the request with funding. I got the request on the red side and will respond to that with the EAN. Let me know if you have any questions.

Take care,

Please see below for NY. They'll have to submit the international travel request up through their ADIC.

VCS supports this travel.

AD IOD has been providing approval for international travel by field personnel directly to field division heads. Please direct field personnel to send this request for AD IOD approval up through their chain.

Hey Sean,

EFTA00037449

Myself and [REDACTED] are requesting travel to London, accompanied by SDNY AUSA's for the week of March 16th. We expect to leave on the 17th and return on the 20th. The purpose of this trip is for the interview/proffer of a witness/co-conspirator of Jeffrey Epstein's. The time and location for this interview has been arranged by the witness's attorney who has been historically been difficult about changes. Both the witness and her attorney reside in London and are not currently willing to travel to the US. This interview could prove to be vital to the indictment of another co-conspirator of Jeffrey Epstein which is expected to go to grand jury within a few weeks. This person was witness to and potentially participated in the sexual abuse of minor victims by Jeffrey Epstein and his co-conspirators. For these reasons we request to travel while there is a temporary travel restrictions due to the corona virus. Below are the following expected expenses:

Airfare: \$696 x 2 (\$1392)

Hotel: \$304 x 2 (\$608)

Parking: \$70 x 2 (\$140)

Taxi: \$100 x 2 (\$200)

M&IE: \$651 x 2 (\$1302)

Total: **\$4,250**
