Help

Try Skype Web App if you are having trouble joining

Joining from a computer using the “Connect from computer or mobile device” link provides additional capabilities, however you can simply call in from your telephone using the number provided above if your meeting will not include video or a presentation. Click the “Help” link for additional information if you are a guest joining a Skype for Business meeting from your computer or mobile device for the first time.

For meeting organizers: Reset your dial-in PIN?
