Dear [REDACTED]

Enclosed is a laptop for Ghislaine Maxwell, an inmate at the Metropolitan Detention Center. We are providing this laptop to Ms. Maxwell for the sole purpose of reviewing discovery materials in connection with the above-captioned case. The laptop has been reviewed by support staff at our Office, who have informed us that they have successfully modified the laptop to meet the specifications you have requested. In particular, we have been informed that:

- The laptop contains a microphone and camera, which have both been disabled. As a result, the laptop has no recording capabilities.
- The laptop does not contain any programs for games.
- Communication capabilities have been disabled. In particular, the laptop has no Wi-Fi, Bluetooth, or Ethernet connection capabilities.

Respectfully submitted,

AUDREY STRAUSS
