[REDACTED] and [REDACTED]

The report we discussed is attached. The first four pages concern activities in 2001-2002, but the reports that follow appear to have similar reference numbers through 2004, so I'm including for context in case that assists you in sorting this out tomorrow. The contact to reach out to is Sgt. [REDACTED]. His work number is [REDACTED], but if he said if you can't reach him on that number please call his personal number: [REDACTED].

We recognize you're still working out logistics for travel tomorrow morning, but whenever you have a sense of timing and which one of you will be flying out, please let us know when you can.

Thanks,
