I certainly don't want to talk to her.

I am just finishing a press release for you on another case. You should have it soon.

I am going to be calling her back with a big no comment, unless I get different instructions from you about what's in the public record.

[REDACTED]  
I'm working on a story about the federal non-prosecution agreement that is part and parcel of the state plea agreement with Jeffrey Epstein.

I'd like to know why the U.S. Attorney's Office decided *not* to prosecute Epstein – because I do know, according to court records, that if he violates any portion of his state agreement that he can be federally prosecuted.

I wanted to know if I could speak with AUSA [REDACTED] for an answer to this question, since she was the AUSA on the case.

I am on deadline for today.

Thank you,  
Michele
