- I think I knew that [REDACTED] were handling that.
- [REDACTED]
- I'm supposed to make arrangements to speak with [REDACTED] (really just to say goodbye), but I can discuss CIDs with him too.

Subject to what [REDACTED] have to say, my tentative departure date is two weeks from today (July 20). I obviously would be happy to discuss things Civil (or to review proposed CIDs) at any point until then.
