That works, thanks – just let me know if your schedule changes, otherwise I'll come by at 1:00 tomorrow. Thanks again and looking forward to it.

No problem at all, and I'm very flexible tomorrow afternoon – whatever time is good for you I can make work, so just let me know and I'll put it in the calendar.

So sorry for the delay. Maybe tomorrow? I have time in the afternoon.

Totally understand, and next week would be fine – let me know if it's helpful to set a time, and otherwise I'll touch base midweek if we haven't connected by then.

And thanks very much re: the memo.

Already signed and sent upstairs . . . I will do my best to ensure signature immediately.
Re: this afternoon: it may be best to kick it to next week. If some time develops before 3, I'll let you know, but right now it is iffy.

We dropped off the Sweden travel memo for you – we were unexpectedly significantly delayed in getting OIA approval, but it finally came this morning, so with apologies for the short turnaround, hoping to get Office and final DOJ approval this afternoon. Thank you!

And separately, if you still wanted to meet up today, I'll be around until about 3:00, but I'm also flexible next week if that's easier.

thanks again,
