We certainly can be in touch. I'm copying my colleagues on the case [REDACTED] because I have a trial starting August 26 so I'll be mostly unavailable next week, but it should be possible to find a time for one or both of them to chat. If you send a couple possible times for next week we can figure it out.

thanks,

Would you have a couple of minutes to chat with me and one of my colleagues about some NM-related Epstein matters this afternoon or early next week? If today works for you, I am available any time after 1:30 MT/ 3:30 ET today. It is nothing urgent.
