Sure, would you like us to come to one of your offices, or should I reserve a conference room?

[REDACTED],  
Is there a time early next week that we might be able to meet with one or both of you to talk about forfeiture theories for certain Epstein properties? I know that we've talked about this in some detail already, but currently counsel for the Trustees of his estate are working on thinking about the value of the government's potential claims, in particular relating to statute of limitations issues, so we want to make sure we have the best possible arguments to present to them. Sorry for continuing to bother you on this, but we really appreciate the help!

thanks,
