Thanks—and I should clarify, we've been in touch with the Palm Beach Police Department (who handled the first phase of the investigation) but not the Sheriff's Office, who I think dealt with Epstein when he was serving his sentence.

Our agents made contact when were down in Florida and got a general point of contact, but I'm not sure if they've followed up since then. If you and [REDACTED] are around in a bit, we can catch up with you about this, as well as today's interview. We also spoke with the person at CART handling the devices, who gave us an update.
