room service I don't understand
why I would have to pay for the
food and then have it reimburse
to me

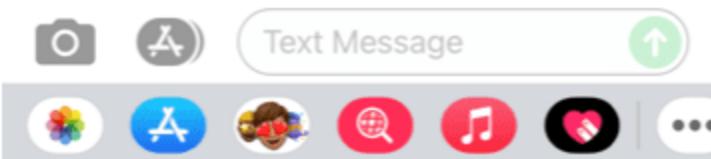

Like a sweet for me and █████
and then an adjoining room like
a regular room that is a decent
size for everybody to sleep

I will get you a suit with an
attached room for the kids. I will
get mom a separate regular
room.

Okay awesome

Are we going to have room
service

I am not permitted to approve
room service
