Thanks. Sorry to bother, but do you have any indication as to when? (Our SEC counterparts have been continuously asking.)

And for what it's worth (I realize this is out of our control) anything after Ghislaine Maxwell's arraignment at 2:30 won't get much attention.

I will. I understand there is a delay in the presentment.

Attaching the [REDACTED] approved draft (with very minor edits) for final unit approval. Thanks.

SEC says they think they'll be ready shortly after 11.

USPIS made an unexpectedly early arrest this afternoon in a securities case. The defendant will be presented tomorrow morning in Florida and we'd like to release simultaneously with the SEC, which is filing a parallel complaint, shortly after the presentment if possible. Attached is a PR, approved by [REDACTED]. I took a stab at the [REDACTED] quote, but happy to have you work your magic. Sorry for the tight turn on this one. Please let me know of any comments/questions.

Thanks,
