Hey [REDACTED]! I'm attaching the scanned proffer (it's saved in her Witnesses & Cooperators folder, located here: [REDACTED])

Is there another location you'd like it saved as well? Thanks!

Hi [REDACTED],

I'm having a hard time locating the most recent scan of the [REDACTED] proffer agreement – it should be updated as of 9/21. I'm probably just looking in the wrong place. Could you please send me the scan? If it's not on the shared, the original should be in the para file.

Thanks!
