Good morning █████ and █████,

I have finished up with the █████ transcription and have attached it here. I referred to one of the interviewers as UM1 because his full name was never mentioned, but am happy to go back and change that if you know his full name. Let me know if there's anything you'd like me to edit or change!

Thanks!

Great, thank you so much! I'm helping █████ out with a few things for Maxwell and have been preoccupied with that. I believe I can get this transcript to you by the end of next week, but if you need it sooner let me know and I can figure some things out/see if another intern is available to help.

Thanks!

Hi █████,

Thanks for reaching out! Happy to be flexible on this. What timing is realistic on your end, given other commitments? Thanks.

Hi █████,

I hope all is well! My progress on this transcription has been a little delayed due to some time-sensitive projects that have come up. I'm chipping away at it, but I was wondering if you could give me an idea of when you'd like this transcript by. I just want to make sure I'm not delaying you in any way!

Thanks so much,

Good morning,

Thank you for getting me access! I'm happy to be helping out. I currently have a few things on my plate so I was wondering if it would be okay if I started this transcription either at the end of this week or the beginning of next week? Just wanted to make sure in case this was super time-sensitive. Let me know!

Thanks so much!!
