Well I suppose I will not be seeing you while I am in New York.....to my great disappointment.

How are you?.... I suppose you are making the most of the opportunity to read... and observe human behavior under duress and confinement ! If there is anyone who would maximize on such a "vacation" it's you !

I am with [REDACTED] and he is asking if you would like him to send you some Vaseline !

Seriously though sweetheart, If I can do anything let me know. I hope you are keeping a diary....

.... and I am sure you are keeping fit !

Anyway,

best love always

P.S.If you would like me to come and visit sometime it would be my pleasure
