I'm with [REDACTED] - first I've seen of this as well. And I don't recall anyone saying anything about a sign.

That is the first I am seeing that sign. I will check the 302s and MOIs to see if this was brought up.

Subject: Sign in SHU

Hi folks,

I have a recollection that when we were interviewing employees at the MCC, one or more individuals told us there was a sign posted in the SHU that said to do your checks on Epstein. If memory serves, we never recovered the document. But last week we got a production of records from the BOP as part of FOIA litigation that included the attached. Can you remind us (a) if there was in fact some employee who told us about this sign – I haven't looked at all the 302s and MOIs, and (b) of anything we did to try to get this sign previously (if we did in fact make inquiries).

Thanks,
