Totally fine, just let us know what documents you delete pages from so we can restamp. The index for her files can be found in the attached if that's useful.

Sounds good. For some documents I'm going to be deleting pages and redacting. Is that ok?

If you could review the stamped versions and let us know what needs to be pulled, then we can restamp to fill any gaps if there are any. Sorry again.

No worries. What's the best way to do this, should we delete the stamped versions and I should review the originals, or should I be reviewing the stamped versions?

Shoot, I'm sorry that's my bad, I stamped [REDACTED] this morning and missed that it hadn't been reviewed.

The stamped ones are just in her folder but if you want to review the originals they are here:

<\\Usa.doj.gov\cloud\NYS\StAndrews\Shared\USvEpstein-2018R01618\!Trial\3500\1. Testifying\Production 3\3524> [REDACTED]  
[REDACTED]

We'll make any changes or edits of course. Sorry again—I didn't read the folder right.

The [REDACTED] and [REDACTED] folder are still being reviewed today, can you hold off on stamping please? Thanks!
