Good morning-

As reported yesterday, the modifications made in the VTC room are negatively impacting attorney-client communication.

The video is blurry; the audio includes distorting noises.

I am requesting that these problems be remedied immediately.

Also, I am bringing to your attention the inappropriate behavior of the guards presently on Ms. Maxwell's detail: threatening discipline if

Ms. Maxwell is "off camera" while leaning against a wall to soothe her aching

back; barking orders regarding the noise emanating from the washing machine

and the pace of her gait when walking; laughing amongst themselves as if any of this is funny.

The manner in which some of the guards responded to me on Sunday gives me reason to be concerned about how they treat Ms. Maxwell when out of public view.

The courtesy of a response is requested.

Thank you-

Bobbi
