There is no specific time frame at the moment. I forwarded the request up my leadership chain on Friday. It is being processed through the various relevant parties. Once I have new information I will notify you.

Thanks,

I do not have a copy. I am sure is somewhere in Central Office, but has not been issued out.

Sirs,

Do you guys have an official/final suicide reconstruction report from the Epstein suicide? OIG has made a couple of requests and I wanted to provide them the report so they can appropriately reply to the AUSAs. I have never seen the

EFTA00023014

report and wasn't sure who maintained it because [REDACTED] does not have it either.

Since I am no longer at NYM, if you feel more comfortable replying to OIG directly (attached), I understand. I just want to ensure we are responsive to the request so as not to cause any issue with the ongoing legal proceedings.

Thanks for your help.
