I'll probably get a complete round up of the U.K. news a little later. I think it more than a little weird that [REDACTED] reached out again right before this arrest. (I don't have [REDACTED] email on this system, so please forward to him and others.)

Hope you have a great 4th of July. I'll be back on EDT starting Tuesday morning.

Best,

Girls were allegedly abused by paedophile Jeffrey Epstein, who died last August  
Arrest will now intensify calls for Andrew to be questioned over any involvement  
Andrew has previously claimed he has offered three times to be a witness in case
