How would you guys feel about linking the victim/witness page to the attached image? It would replace the one pictured below.

The image shows the homepage of the United States Attorney's Office for the Southern District of New York. The main header reads "THE UNITED STATES ATTORNEY'S OFFICE SOUTHERN DISTRICT *of* NEW YORK". Below the header is a navigation bar with links for HOME, ABOUT, DIMSIONS, RESOURCES, NEWS, PROGRAMS, EMPLOYMENT, and CONTACT. A large image of the One World Trade Center and the Oculus is displayed. To the right, there is a "SOCIAL MEDIA" section with links to Twitter, Facebook, YouTube, and RSS. Below this is a "Tweets" section from the official SDNY Twitter account (@SDNYnews). The first tweet discusses the extradition of an Iranian national. The second tweet from US Attorney Berman criticizes polluters. To the right of the tweets is a large red box highlighting the "DEPARTMENT OF JUSTICE" seal. Below the seal is a "Public Service Announcement on Sexual Assault in Public Housing". Further down are sections for "JUSTICE 101" and "Community Outreach".
