## Submitted Text:

I was living in NYC in 2002-2004 and was introduced to Jeffrey Epstein by a Canadian woman who at the time was a friend. The woman was in her mid to late twenties at the time. She was also friendly with Ghislaine Maxwell. The woman, [REDACTED] was an aspiring French Canadian model and a close friend of Jeffrey Epstein. She told me she was often in his company in his home. She told me "he helped young beautiful women". She also mentioned he often liked to get massages. I often went with my friend [REDACTED] to nightclubs in NYC and she would procure young women to meet Jeffrey Epstein. Many women were underage and aspiring models from other countries. She often had a lot of money in cash that she said Jeffrey Epstein gave to her for helping him with "various things". I just saw the Netflix documentary and now understand that [REDACTED] was procuring underage women for sex trafficking to Jeffrey Epstein and Maxwell. She did it as an accomplice of Epstein with full intent of introducing them to him for payment. She did not seem to be under any duress but only spoke highly of Epstein. Several times I saw her with Maxwell too.
