Not a problem! Just printed it and left it on [REDACTED] desk. Let me know if you need anything else.

Best,

Blue sheets are fine, thanks. No need for tabs or labels or an index. Thanks for putting this together!

Hi [REDACTED],

I just wanted to check with you and see whether you wanted tabs separating the different 302s or if blue sheets were fine, and also whether you wanted a table of contents at the beginning or not.

Thanks,

[REDACTED]

Hi [REDACTED],

Thanks again for all your help getting the team ready for the focus group exercise this weekend. For this case, we have a witness coming in for trial prep this week. [REDACTED] is going to conduct a mock cross examination of her. In order to help him prep for that, could you please put together a binder of the 302s of her interviews? [REDACTED] can point you to the folder on the shared where all of that lives (things have been moving around a bit as we prep to produce 3500). The witness is [REDACTED] (that's her married name – she used to be [REDACTED], so some documents are titled that way).

If you're able to get that to [REDACTED] by tomorrow morning, that would be great. Thanks!

Thanks!
