

Epstein Report Meeting with FO-OGC

1. Counts & Rounds Section
 - a. Comments re: need to aggregate witness statements and streamline v. need to outline a factual basis for misconduct findings
 - b. Focus on issues related to Epstein v. outline all uncovered misconduct
 - c. Limitations of BOP policies (lack specifics) and the use of opinions/analysis of supervisors, e.g., lieutenant rounds → frame as recommendation instead of misconduct finding?
2. Limitations of SHU video
3. How to address declinations for other false statements on count slips and round sheets
4. Findings and Recommendations
5. Naming Conventions
 - a. MCC New York or the MCC New York
 - b. Inmate or detainee (team prefers inmate)
 - c. Camera system (security, surveillance); use of "footage"
 - d. Use of titles for medical personnel (e.g., [REDACTED]) and other personnel (e.g., Lieutenant [REDACTED])
 - e. Alleged sex offender (based on pending charges at the time) v. sex offender (based on FL conviction)
6. Format of revised report (full redline or clean copy with comments)
