Hi [REDACTED] and [REDACTED] see e-mail below that I just received from Whitney Tilson. He's a hedge fund manager in NY that provided me with some useful information on a corporate fraud case a couple years ago. His cell # is [REDACTED], and e-mail is [REDACTED]. I'm not providing him with your names, but will just respond that someone will reach out to him soon. Thanks, and good luck with your case!

Hi Special Agent [REDACTED],

This is Whitney Tilson - we spoke at length about [REDACTED] in 2015. I have information that I think would be of interest to your colleagues investigating Jeffrey Epstein. Might you be able to connect me with the right person?

Thank you.
