Thanks. I think it's fine to speak with [REDACTED] about it, but my sense is that we would also need USMS approval, based on the email from [REDACTED]. If you think it would be ok, I'm happy to reach out to [REDACTED] directly to discuss.

Thanks very much for passing this along. The permitted attorney contact on the list below only includes Vogelmann without reference to her New York counsel. Would it be possible to add her two New York attorneys—Chris Everdell and Mark Cohen—to the list of people Maxwell can speak with on the phone, please?

Ideally, we would like to get them added today so that they can speak with their client over the weekend to facilitate our discussions with them about next steps in the case.

Thanks,
