Thanks very much for the additional information. I don't think it makes sense to speak this afternoon, but thanks for offering. We'll review and circle back if it would be useful to discuss further. Thanks again for your time.

No worries, █████. I'm actually very surprised. If you still wanted to chat and share what exactly you're looking for, I'd be happy to recommend someone who might be a better fit.

With that being said, I just testified earlier this week in a Daubert Hearing for Federal Prosecutor █████ : █████. I'm sure that you might find the hearing transcript of interest at a minimum, and it sheds light in the content of my testimony. Similarly, the trial transcript for this case, where I testified for the prosecution: <https://www.eastbaytimes.com/2017/06/10/infamous-danville-sex-trafficking-case-comes-to-trial-defendant-spyder-featured-on-americas-most-wanted/>

Thanks very much for sending these materials. After reviewing them, unfortunately I think we are seeking an expert with different areas of expertise, so I think it makes sense to cancel our call. Thanks very much for your time—

Also, I have some availability tomorrow before noon or after 3:00pm, if that works better.

Please let me know what works for you and if you'd like a CV and fee schedule in the interim.

Best,

Kim
