Wanted to get this to the chiefs today to expedite review, but obviously welcome any thoughts or comments from you guys. I based the new language primarily on the language from our past Epstein and Maxwell indictments, so hopefully nothing too controversial.

Hi team, we have asked [REDACTED] what the Brass wants to do in terms of review/meeting, and will let you know. In the meantime and mindful of the Monday GJ date, do you mind putting together a draft indictment for us to review? Thanks!

All,

Attached please find a prosecution memorandum requesting authorization to seek a superseding indictment charging Maxwell with additional criminal offenses. For reference, I have also attached the two prior prosecution memos regarding the original indictment in this case. We have tentatively scheduled grand jury time for Monday, March 29th.

Thanks,
